LYNNE STUART

Mae paentiadau Lynne mewn acrylig wedi'u hysbrydoli gan y ffurfiau a'r patrymau a geir yn y dirwedd leol. Maent yn dechrau gyda'r amgylchoedd naturiol ond yn aml mae elfen haniaethol i'r cyfansoddiad ac mae lliw yn arbennig yn chwarae rhan bwysig.

Lynne's paintings in acrylics are inspired by the forms and patterns found in the local landscape. They start with the natural surroundings but frequently there is an abstract element to the composition and colour in particular plays an important role.

GERALDINE HEDDERICK

Mae cymaint o ysbrydoliaeth ar fy ngharreg drws gyda'r holl olygfeydd hardd, er hyn mae llawer o ysbrydoliaeth hefyd yn dod o ddarn o ffabrig. Mae fy ngwaith yn defnyddio tecstilau wedi eu hailgylchu. Mae pob darn yn wreiddiol ac yn hollol unigryw.

There is so much inspiration on my doorstep with all the beautiful scenery although many times inspiration comes from a piece of fabric. My work uses textiles many of which are recycled. Each piece is an original, and I don't make prints making it totally unique.

Mae fy nghelf yn cael ei ddylanwadu gan hanes / tirlun Cymru ac wedi ysbrydoli'r cymeriadau ffermio, Gwyn a Gwawr. Dw i'n credu'n gryf mewn pŵer comedi i godi'r ysbryd ac yn aml yn cynnwys hynny yn fy nghwaith.

Welsh history/landscape influence my art, and inspired my popular farming characters, Gwyn & Gwawr. A firm belief in the power of comedy to lift the spirit, is reflected in many artworks, often incorporating a subtle humour.

A newcomer to painting, I love exploring the ever-changing scenery of North Wales through the unpredictability of watercolour. We're spoiled by views that are both dramatic and calming - the huge sea and mountains, and the quirks in the small details.
